**Subject:** Treated Seed Tag/Bag Initiative - Meeting minutes

Dear Jeff,

First of all, thank you very much for the opportunity to discuss the "Treated Seed Tag/Bag" issue with EPA. The meeting last month was very productive and all the CLA participants are very pleased with the progress of the discussions.

Per our conversation, I am sending you the meeting minutes for comments and distribution. In the minutes, I included a copy of our presentation for your reference.

As part of the meeting actions, I attach to this message a copy of the full list of statements compiled from different company seed tags (file: *2013-03-26 Treated Seed Tag FULL LIST*). You can also find a copy of our final harmonized statements as a separate file: *2013-06-10 FINAL List of Treated Seed Tag Statements*.

If you have any question or comments, please feel free to contact me.

I will contact you at the beginning of next year to plan a second meeting, as we agreed last month.

We are looking forward to continuing working with EPA on this topic.

Best regards,

**Miriam Frugis**
